■ Does Not Meet Set Targets

The plan moving forward into next Quarter is . . .	<ul style="list-style-type: none"> • Conduct a thorough evaluation of systems aligned to achieving CCMR outcomes and address specific deficiencies and barriers in military and college readiness. • Create a master contact list of military recruiters in the region and track communication efforts. • Review and discuss individual CCMR targets (including subgroups), expectations, systems, and processes to all TPHS Principals during principal support calls.
